UNIVERSITY

**IMPACT**

# Muskingum IMPACT: Shaping Our Future

## Welcome to Muskingum IMPACT!

Through this new annual publication, we are excited to share results of the University's strategic action plan, IMPACT 2025, and to thank and recognize Muskingum alumni and friends for their generous support.

IMPACT 2025 provides powerful strategic directions to shape our future.

There is great energy on campus to take action now, so that Muskingum will thrive well into the future with:

- A distinctive educational program, focused on student engagement and success through high-impact learning.
- A dynamic campus environment, with excellent facilities to serve the whole learner.
- An atmosphere which actively engages alumni, friends, and strategic partners.
- A commitment to reaching expanded audiences and developing new programs to meet workforce needs.

When I greet new students, I promise them that at Muskingum:

“You will be known.”

“You will be challenged.”

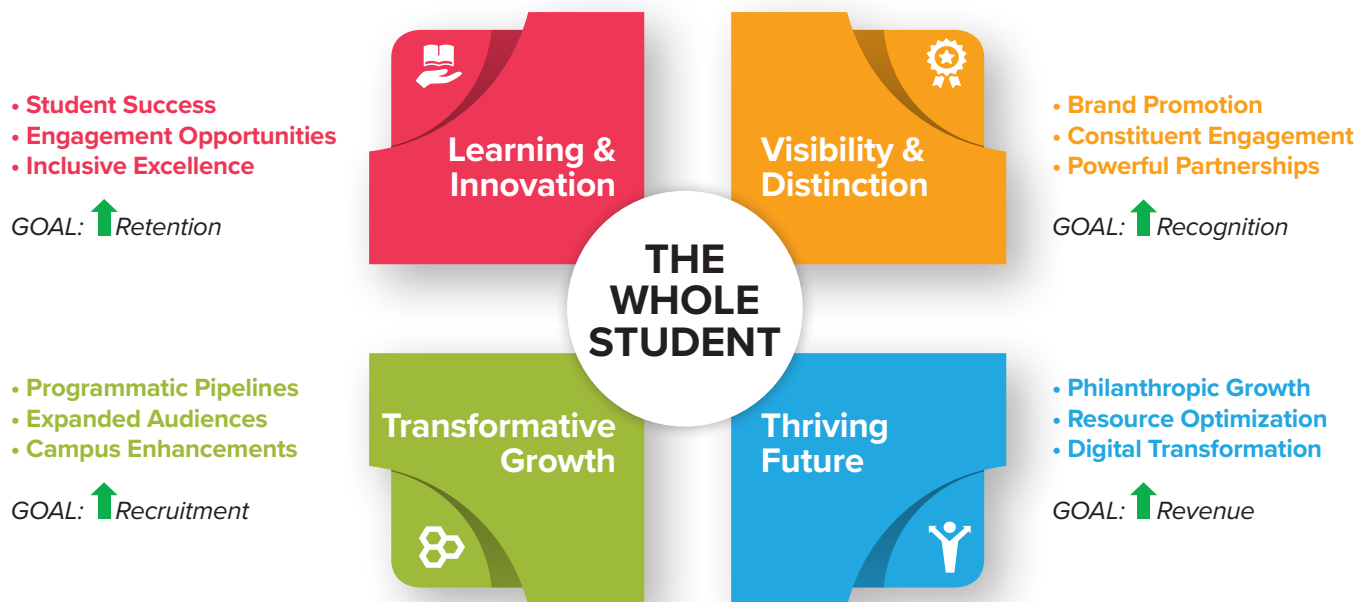

“You will be prepared for the future.”

With your support, we are able to fulfill these promises to the Muskies of today and tomorrow.

Thank you for making a resounding IMPACT in the lives of our students and in Muskingum University's future!

With warm regards,  
President Susan S. Hasseler

## IMPACT 2025

- Outlines Muskingum’s **Action Plan** for navigating the changing and challenging higher education environment
- Centers around the mission of developing **The Whole Student** “intellectually, spiritually, socially, and physically”
- Represents the ongoing commitment to provide an **Excellent Educational Experience** for all
- Identifies **4 Theme Areas** for vital new initiatives
- Continues to engage the **Entire Campus Community** in planning and implementation

# LEARNING & INNOVATION

## IMPACT 2025: Learning & Innovation Initiatives Will

- Expand student **engagement opportunities** with “high-impact” hands-on learning
- Support **student success**
- Promote **inclusive excellence**

The University-wide **Signature Program** features high-impact experiences, integrative advising, and innovative learning outcomes for every student in every major, helping promote **Inclusive Excellence**.

100% of our students will experience **High-Impact Engagement Opportunities** such as:

- Internships
- Campus Leadership Roles
- Fellows Programs
- Civic Engagement
- Study Abroad/Study Away
- Entrepreneurship
- Faculty-Student Research

**Integrative Advising** brings together academic and co-curricular advising to help students make the most of their education, in and out of the classroom. Muskingum received two grants from NetVUE (Network for Vocation in Undergraduate Education) in support of this new structure.

A re-imagined, comprehensive approach to **Student Success** embraces initiatives for

- **Academic Success**, such as Academic Coaching, Student Success Team, and The Athletes & Scholars Program which helps first-year, fall-sport athletes navigate their new level of academic and athletic expectations
- **Financial Support**, such as open-source resources which reduce the cost of educational materials and a student emergency fund
- **Student Well-Being**, with a special focus on health, wellness, fitness, and athletics opportunities

## Integrated Learning Outcomes

– known as **I<sup>3</sup>** – define educational goals across the curriculum:

- **INNOVATION** – Muskies are creative **problem solvers** and confident risk-takers who use their skills and knowledge as catalysts for change
- **INITIATIVE** – Muskies are **purpose-driven**, self-aware individuals who live well-rounded lives
- **IMPACT** – Muskies **change communities** by being active, engaged, and positively impacting the world around them

**Fellows Programs** allow students to become part of a cohort group with shared special interests and access to unique opportunities through:

- Engaging with practitioners in the field
- Participating in regional/national conferences, workshops, and competitions
- Completing a personalized internship supported by a stipend
- Connecting with Muskingum alumni and friends in a network of experts
- Leading campus activities and peer education programs to enrich the campus community

## The David and Karin Kratoville Entrepreneurship Fellows Program

The David & Karin Kratoville Entrepreneurship Fellows Program will help students explore their entrepreneurship interests and extend the culture of innovation throughout the Muskingum community.

“My professors had a very significant impact on me,” David recalls. “Their influence shaped my thought processes, particularly around innovation and creativity. I began my career in banking and later became part of a private-equity backed start-up company which grew into a Fortune 500 corporation. Currently, I’m involved in an angel funding group in central Ohio.”

“We have always felt it was important to support the University, because it made such a difference in our lives,” Karin notes, “We want to make a difference

for Muskingum now and we have a strong interest in helping young business people who want to become entrepreneurs. **We’re excited by the innovation, creativity, and entrepreneurial spirit we see at Muskingum today.**”

David observed that spirit first-hand when he participated in the Living Library program: “I met a great group of smart and energetic students who were either already involved in or working on developing an entrepreneurial business. We feel very good about being able to help students explore these interests. We know how much it means to them and that our support is appreciated.”

*David Kratoville '81 majored in Business and Karin Collins Kratoville '82 majored in Business and Psychology. Karin's Muskingum family legacy includes her two grandmothers and an uncle.*

**David '81 and Karin '82 Kratoville**

THANK YOU!

## Civic Engagement, Leadership, and Service are integral to Muskingum's Signature Program.

In the current academic year:

- **79** student-led organizations are active on campus
- **330** students attended Muskie Leader Institute sessions to hone their skills
- **56** students attended the Muskie Leader Retreat for in-depth skill development
- **787** students participated in community service projects
- **5** student groups completed the 1837 Challenge, dedicating 1,837 hours to community service
- **8,937** community service hours were contributed by Muskingum's Greek Life organizations

*Muskingum's Student Senate includes leaders elected from classes, honorary societies, residence areas, social clubs, and other campus groups.*

## The John and Annie Glenn Public Service Fellows Program

The John and Annie Glenn Public Service Fellows Program honors the powerful example of leadership set by John '43 and Annie Castor '42 Glenn. This distinctive opportunity for students to explore public service is made possible by a gift from Tom and Ilona Fox.

"We were blessed by what Muskingum did for us," Tom remembers. "Both Ilona and I were well-prepared by our education and that allowed us to have fulfilling careers."

Ilona recalls how "Muskingum opened my eyes to learning and to the arts, culture, and history. We are both lifelong learners and enjoy the arts and traveling thanks to the education we had at Muskingum."

"Supporting this particular program is very significant to us," Tom explains. **"Ilona and I see it as a way to help move Muskingum to a new level of distinction and provide a competitive advantage in recruiting talented students.** We believe that graduates who experience the Fellows program will be exceptionally well-prepared, giving them a head start in entering their professional field and making their public service impact."

*Thomas C. Fox '63 majored in Political Science and minored in Speech. He is a graduate of George Washington University Law School and has practiced law in the Washington, D.C. area for more than 40 years.*

*Ilona Moore Fox '64 majored in French, and taught French and English for 20 years in the Arlington public school system. Ilona's Muskie legacy includes her great-grandfather John Knox Montgomery and two great uncles, J. Knox Montgomery Jr. and Robert N. Montgomery, who each served Muskingum as president.*

**Tom '63 and Ilona '64 Fox**

# TRANSFORMATIVE GROWTH

## IMPACT 2025: Transformative Growth Initiatives Will

- Create new academic and co-curricular “**programmatic pipelines**”
- **Expand audiences** for undergraduate, graduate, and continuing studies offerings
- Enhance the **physical campus**

## Transformative Growth Initiatives Are Underway

### Programmatic Pipelines and Expanded Audiences

Muskingum is reaching expanded audiences through new academic and co-curricular “programmatic pipelines” created to meet student interests and the region’s workforce development needs.

The **Master of Occupational Therapy** program will open in Fall 2019 for credentialed occupational therapy assistants to earn an MOT degree and become registered occupational therapists.

The athletics program will expand with the Fall 2019 addition of **Esports**. One of the fastest growing, innovative sports at the varsity level, Esports teams compete in multi-player online gaming matches. Muskingum is joining more than 125 institutions across the country in the National Association of Collegiate Esports.

### Campus Enhancement

**A comprehensive campus facilities plan** has been developed.

Key priorities include:

- Athletics, Recreation, Health, and Wellness
- Residential Facilities
- Academic and Student Engagement Spaces
- Accessibility Improvements

**\$6+**  
**Million**

**in facility upgrades have been completed since 2016.**

The **North Athletic Field** opened in Fall 2017. This second turf field is home to men's and women's varsity soccer and lacrosse teams. It serves as a practice field for varsity football and hosts multiple intramural and recreational activities.

**Patton Dining Hall** opened in Fall 2018, following a \$3.7 million renovation completed in partnership with the University's dining services provider, Aramark Corporation.

**Brown Chapel accessibility improvements** were completed in Summer 2018, including a newly added elevator connecting the main and lower levels.

**Entranceways, lobbies, and hallways** in several buildings have been refreshed and more than \$1 million has been invested in accessibility upgrades.

**New wayfinding signs** welcome visitors and guide them to their destinations.

**“We feel it is important to give back to the university that gave us the tools to build successful careers and lives. It is vital that all alumni invest in the students of this generation and beyond.”**

**Walt '66 and Donna Higinbotham '66 Young**

*The Youngs' longtime generosity to Muskingum includes gifts for recent facility enhancements, the Smith Library, and Walter Hall.*

**“It is so very rewarding to see students, faculty, staff, and campus visitors benefiting from upgraded and accessible facilities.”**

**John '68 and Therese Gardner**

*The Gardners' longtime generosity to Muskingum includes gifts for the recent Brown Chapel accessibility improvements, the Smith Library, Walter Hall, and the Chess Center.*

# Supporting Transformative Growth

Hub and Mary Marg Marquis firmly believe that Muskingum transforms lives. “We treasure the memories of our time as students,” Hub explains. “Beyond what we learned in the classroom, we learned to give back, to be involved with the community, and to help others.” Mary Marg adds that “Muskingum is very important to both of us, because it is where our life together began.”

“From the first time we met President Hasseler, we were impressed with her vision for the University,” Hub recalls. “Under her leadership, the new action plan sets energizing directions for Muskingum’s future.”

**“We are especially excited about the emphasis on health, wellness, and athletics, and are eager to do our part to help Muskingum move forward in those areas,”** Hub continues. “We think these are vital parts of a well-rounded experience for Muskingum’s students. We enjoy visiting the campus often for sporting events, and we see first-hand the positive impact they have on student life and community spirit.”

Hub and Mary Marg both began their careers serving on the faculty of West Muskingum High School. Hub later became President and Chairman of the Board of Wallover Oil Company, and he served for 15 years on the Medina City School Board, including two terms as President. Hub and Mary Marg are both actively involved in many community activities, as they continue to live by the lessons they learned at Muskingum.

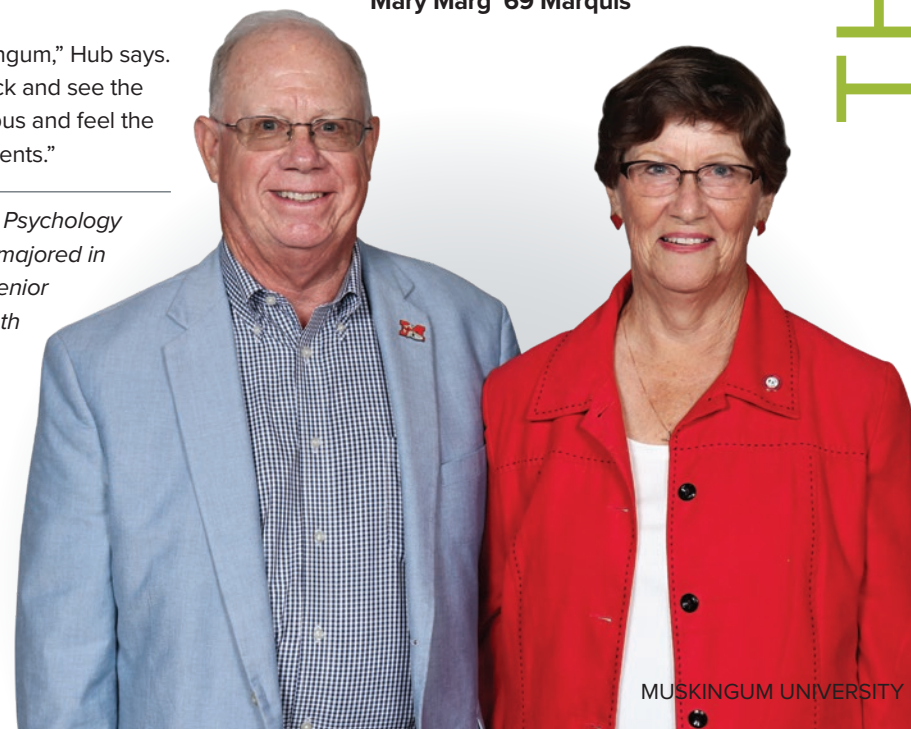

*Hub and Mary Marg’s generous gift to Muskingum will support campus health, wellness, and athletics facilities.*

**George “Hub” ’68 and Mary Marg ’69 Marquis**

“Now is a great time to support Muskingum,” Hub says. “We encourage everyone to come back and see the terrific things happening now on campus and feel the excitement and energy of today’s students.”

*George “Hub” Marquis ’68 majored in Psychology and Mary Marg Wallover Marquis ’69 majored in English. Married during Mary Marg’s senior year, they recently celebrated their 50th wedding anniversary. They are the parents of four children: Susan, Carol, Kevin, and Timothy ’05, who extended their Muskingum family legacy. Hub’s sister and brother-in-law, Sally Marquis McGaffin ’60 and Jim McGaffin ’60 are also proud members of the Long Magenta Line.*

THANK YOU!

# VISIBILITY & DISTINCTION

## IMPACT 2025: Visibility & Distinction Initiatives Will

- More **fully engage alumni** and other constituencies with Muskingum
- Promote **Muskingum brand** recognition
- Develop **powerful partnerships** to enhance the student experience and extend impact

## Visibility & Distinction Initiatives Are Underway

**Telling Our Story** is focused on sharing the impact Muskingum alumni, students, faculty, and staff have on their communities, their professions, and the world. Initiatives such as an enhanced social media presence, a revamped website, redesigned and expanded publications, and institutional brand standards help reach multiple audiences.

Recent **Partnerships** to enhance the student experience include partnering with Aramark Corporation for the Patton Dining Hall Renovation and with BSN Sports for outfitting all varsity sports teams and providing logo apparel and accessories to Muskie fans.

---

# \$1,714,491

Class of 1968 Reunion Gift

Reunion Class Gifts are made by alumni to honor the 50th Anniversary of their graduation. All gifts and pledges made by class members during the five-year period leading up to their reunion count toward the gift.

### New Opportunities for Alumni Engagement

are designed to help connect and re-connect alumni to the Muskingum campus community and to each other. Recent initiatives include:

- The Living Library, to connect students to alumni
- Travel Tours, AlumNights, and other alumni gathering events
- Reunion Weekend @ Homecoming
- Emerging Alumni Awards created to complement Distinguished Service Awards

### New Opportunities for Supporting Athletics

help bring Fighting Muskie fans and community partners closer to the excitement of NCAA Division III intercollegiate contests.

- The Muskie Athletic Club
- Muskie Corporate Sponsors

**61** members in the Muskie Athletic Club

**\$19,500**  
total gifts from the Muskie Athletic Club

**\$20,000**  
Corporate Sponsorships for Athletics

# Alumni Leadership: Engaging Our Muskie Community

Since 2011, Jim Gray has served Muskingum as Alumni Council President and member of the University Board of Trustees.

**“It’s been a privilege for me to help alumni connect with each other, with the University, and with today’s students,”** Jim reflects.

“I’m especially excited about the new initiatives that are providing more opportunities for alumni to come to campus and meet current students. It is very meaningful for students and alumni alike to learn about each other’s experiences and interests, and to create new links within the Muskie community.”

Known to fellow classmates as “The Banker” for his summer job at a bank, Jim’s Muskingum education fueled his lifelong love of music and the arts.

“My love of music began with childhood organ lessons. It more fully developed as a result of the many arts experiences I had at Muskingum, especially performing in the student ensembles. After graduation, as I pursued a career in banking, I was also fortunate enough to serve for 20 years as a church organist.”

Jim’s long-standing generosity to Muskingum has supported Walter Hall and the Smith Library. His most recent gift to the University is for the restoration of the Brown Chapel Organ.

“I’m happy to help start the funding for the organ restoration project so that future students can continue to enjoy the unique experience it brings to musical performances and worship in Brown Chapel.”

---

*Jim Gray '74 earned his Bachelor of Arts degree in Economics and Speech Communication. He retired from his career in banking as a Systems Officer for Chase Manhattan Corporation. For two decades, he served as the organist for the First Presbyterian Church in St. Clairsville, Ohio.*

# THRIVING FUTURE

## IMPACT 2025: Thriving Future Initiatives Will

- Utilize **digital transformation** to better serve all constituencies
- Grow **philanthropic support** for Muskingum
- **Optimize resources** to align with the priorities of IMPACT 2025

## Digital Transformation

- Extended Wi-Fi service and increased bandwidth throughout the campus
- New data management systems in academics, advancement, and athletics
- Mobile access upgrades for student services

## Philanthropic Support

- The Muskingum Society created and launched
- The Muskie Athletic Club created and launched
- Major gifts received to support student experiences and campus enhancements
- Grant funding received to support learning initiatives
- Sponsorships received to support athletics and arts activities
- Planned Giving opportunities expanded

## Your Gift Has Impact!

When you give to Muskingum:

- You **impact accessibility** by helping keep Muskingum within financial reach of our students
- You **impact excellence** across all aspects of the student experience
- You **impact lives** through the transformative power of a Muskingum education

## Securing the Future

**Muskingum Trustee Patricia Fridley has established a planned gift to benefit Muskingum in the form of a bequest in her estate plan. Planned gifts, including charitable bequests, charitable trusts, and similar gift options, provide for Muskingum in the future.**

“I was one of the first in my family to graduate from college. When I graduated from high school, college was not on my mind. I was a bored student, and I could not wait to enter the workforce. Within a few years, however, I lost a promotion because I did not have a degree.”

“I began to take a few courses though Muskingum’s extension classes in Coshocton. The professors were engaging, and I found that I enjoyed learning. I quit my job, enrolled at Muskingum, and completed my degree in two and a half years, including summers.”

“My professors completely changed how I thought and felt about education – in every class I took, they made their topics meaningful to me. I was hired for my first job after college because Professor Thompson made sure that his students got out into the professional community, so that we could thrive in the work world.”

“Muskingum helped me exceed my expectations of what was even possible. Earning my degree at Muskingum not only changed my life, it changed the trajectory of my family’s lives. Now I can give back to Muskingum, both during my lifetime and with planned giving.”

**“Planned giving allows me to leave a legacy for Muskingum’s future.** I know that I am making a difference in the lives of students for many

generations to come. I’m proud to be part of the Long Magenta Line and to help extend it far into the future.”

*Patricia Wright Fridley ’76 majored in Economics and earned an M.B.A. degree from The Ohio State University. She retired as Senior Managing Director of Allstate Investments LLC. She has been a Muskingum University Trustee since 2007 and previously served on the Alumni Council.*

**Patricia Fridley ’76**

## Stepping into the Future

**Juan Dunlap ’18**

**Juan Dunlap graduated from Muskingum in May 2018. Shortly thereafter, he made his first gift to the University, becoming a Charter Member of The Muskingum Society.**

“I started out at Muskingum as a commuter student. The more time I spent there, the more sure I became that it was exactly where I needed to be. I moved onto campus in my sophomore year and that was really when I fell in love with Muskingum.”

**“There’s something magical about Muskingum.**

There’s a niche for every student to pursue their own interests, and it all takes place within a very welcoming atmosphere that broadens your horizons and allows you to develop friendships that will last a lifetime.”

“I had fantastic experiences taking part in theatre productions and being involved in my fraternity, Phi Mu Alpha Sinfonia. It is such a joy for me to be part of Muskingum that I still come back to campus often to serve as my fraternity’s Alumni Relations Officer.”

“It was very important to me to become a member of The Muskingum Society, because Muskingum is so important in my life. My family feels the same way – my younger brother is making his college choice soon and we hope he will become a Muskie too!”

*Juan Dunlap ’18 majored in Computer Science and English and minored in Theatre and History. Now an associate with the marketing and communications firm Williams Lea Tag, Juan continues to pursue his passion for theatre with Oglebay Institute’s Towngate Theatre.*

Paul McClelland, Diana Jones, Katie McNeil, Penny Selock, Shea McGrew, Mikayla Pollitt, Jen Bronner '97, Dee Tyson, Janet Heeter-Bass, Jeff Heacock '76.

## Telling Your Story & Building The Future

The Institutional Advancement staff is dedicated to telling Muskingum's story, building relationships with alumni and friends, and securing philanthropic gifts to help the University thrive. We're excited to connect with you!

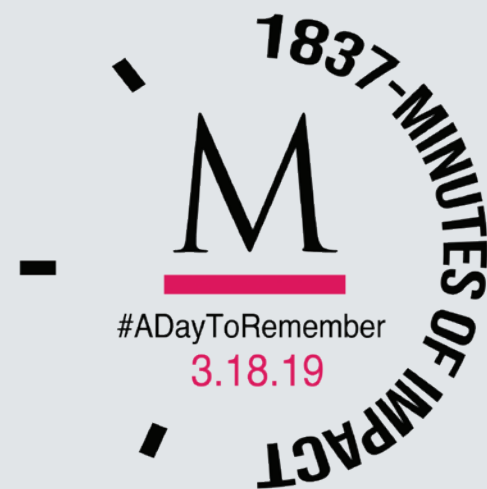

- Shea McGrew, Vice President for Institutional Advancement
- Paul McClelland, Associate Vice President for Operations and Planned Giving
- Janet Heeter-Bass, Associate Vice President, Senior Development Officer
- Jeff Heacock '76, Associate Vice President, Senior Development Officer
- Jen Bronner '97, Senior Director of Alumni Engagement & Annual Giving
- Katie McNeil, Director of Annual & Leadership Giving
- Mikayla Pollitt, Director of External Relations
- Diana Jones, Director of Advancement Services
- Dee Tyson, Advancement Services Associate
- Penny Selock, Special Events Planner

**Annual Giving to the Muskingum Fund** provides critical and immediate support for our students' educational needs. Ways to give include:

- Gifts of cash, check, credit/debit card online or by phone 1-866-687-5431
- Securities & Mutual Funds
- IRA Charitable Rollover

- Planned Giving
- Matching Gifts

Contact us at 740-826-8130, [advancement@muskingum.edu](mailto:advancement@muskingum.edu), or visit [muskingum.edu/giving](http://muskingum.edu/giving) for more information.

On 3/18/19, our Day of Giving to celebrate Founder's Day resulted in

**189**  
gifts and pledges

made in  
**1,837**  
minutes

totaling  
**\$46,905**  
in student scholarships

Thank you for making **#ADayToRemember** a tremendous success!

# Muskingum Society Charter Members

**T**he Muskingum Society honors alumni and friends who help sustain our long tradition of life-changing education by making an annual commitment of \$1,000 or more to the University.

All contributions to the Muskingum Society go directly to student aid and scholarships, unless otherwise directed. Muskingum Society members are recognized through a commemorative display on campus and receive invitations to select special events. New members receive a lapel pin to wear with pride as a symbol of their enduring support of the Long Magenta Line. Donors listed reflect giving through June 30, 2018. For more information, visit [muskingum.edu/giving/muskingum-society](http://muskingum.edu/giving/muskingum-society).

THANK YOU!

# Muskingum University Heritage Society Members

**H**eritage Society membership recognizes living alumni and friends who have provided for the University with a planned gift.

Planned gifts can be made through a bequest to the University in an estate plan or through establishing a gift plan which pays a lifetime income to the donor and then leaves the remaining assets to Muskingum. Other opportunities to support Muskingum include gifts of stock or mutual fund shares, real estate, insurance policies, and retirement assets such as IRA charitable rollovers.

For more information, visit [muskingumplannedgiving.org](http://muskingumplannedgiving.org).
